

Unfold Adventure

INTRODUCING THE ULTIMATE CARAVAN PICNIC TABLE

FEATURES

- **Compact Design:** Easily foldable and storable, making it ideal for small spaces in caravans or camping gear.
- **Durability:** Constructed from high-quality materials to withstand outdoor elements and frequent use.
- **Keyless Assembly:** No need for keys or complex assembly instructions; intuitive design allows for quick setup, enhancing user convenience and eliminating hassle.
- **Integrated Charging:** Equipped with USB-A and USB-C plugs, providing convenient charging options for electronic devices such as smartphones, tablets, and cameras during outdoor activities.
- **Built-in LED Light:** Features an integrated LED light, perfect for illuminating the table surface during evening gatherings, camping trips, or roadside picnics, enhancing safety and ambiance in low-light conditions.
